In 2017, a school will be above the floor if:

At least 65% of pupils meet the expected standard in English reading, English writing and mathematics; or

The school achieves sufficient progress scores in all three subjects:

At least -5 in English reading, -5 in mathematics and -7 in English Writing .

To be above the floor, the school needs to meet either the attainment or the entire progress element.

This means that Sacred Heart RCPS is Above Floor Standard for both measures.
